### Legal & Bankruptcy Search

We will perform a legal search in a Hebrew language litigation database.

- Court Name
- Case Number & Type
- Date
- Plaintiff
- Defendant
- Case Details
- Status

In addition we will perform a bankruptcy check via the Ministry of Justice Database.

Please note that if results are found we will summarize up to the 3 most recent legal documents found where the company is named as a party. If there are more than 3 cases available to summarize we will consult with you to determine which cases you would like summarized.
